

# POLYTECH PROJECTS LLP

A Division of Thermoplastic Butt-fusion Welding Tanks and Technology

[www.polytechprojects.com](http://www.polytechprojects.com)

## About Us

At Polytech Projects LLP, we are committed to developing innovative technologies aimed at protecting against corrosion and conserving the environment.

Polytech Projects LLP is a dynamically developing company that has evolved as a prime manufacturer and exporter of a superior range of Acid Proof products such as HDPE & PP sheets , Acid Proof Mortar , Epoxy Resin and allied 100% Anti-Corrosive Industrial Materials. We excel in technology, design, research & development, and customer satisfaction.

Our product lineup also includes poly equipment like Tank , Scrubbers , Degassing Towers , Blowers , Venturis , Chimneys , Agitators , Fume Hoods , Covers , Ducts, Hoppers , Nutsch Filters , Enclosed Room , Lab Instruments and Allied Steel Structural Works.

We take pride in our role as industry leaders, continuously pushing the boundaries to redefine what is possible in the realm of Thermoplastic, Storage & environmental Technology.

HDPE Reaction Vessel

Allied Steel Structural & Acid Proof Lining Work

Process Line

Fume Hood

Fume Extraction & Scrubbing System

Dual Laminated Equipments

PP Storage Tank

## Capabilities

Mechanical Design | CNC Cutting | Plastic Welded Pipings & Fittings | Butt Welding Machine | 90° U-Profile Butt Fusion Bending Machine | Extrusion Welding | Field Service & Repairs | Installation | Modification | Plastic fabricated equipments | Acid Proof Lining & Materials | Testing Facilities | Steel Structural Work

## Vision

Our vision at Polytech Projects LLP is to be a global leader and trailblazer in the manufacturing of Thermoplastic & Environmental Equipment. We envision a future where our storage solutions not only meet but exceed the evolving needs of industries worldwide. Our commitment is to revolutionize the storage equipment landscape by fostering innovation, prioritizing sustainability and creating a lasting positive impact on our clients and the environment.

## Mission

"Our mission is to deliver superior, tailored solutions across diverse industry sectors, upholding the highest standards of safety, quality, and ethical conduct while nurturing enduring partnerships and ensuring client satisfaction in every endeavour."

Water Filling Test

Spark Test

## Product Range

- Line
- Tanks
- Pollution Control Equipments
- Ancillaries

Acid Proof Lining & Allied Services
